## EDUCATION

**Barkatullah University Institute of Technology**

**Nov 2022 - Jun 2024**

- Bachelor of Technology in Information Technology

## EXPERIENCE

**Code Clause Internship** | Mern Stack Developer Intern | Pune Maharashtra

**Aug 2023 - Sep 2023**

- Shaped architecture, UI, and features, driving critical decisions for project success and innovation.
- Revolutionary text editor: Precision-enhanced, unique UX, tailored to seamless text manipulation.
- During my internship, I successfully developed a news platform that will daily updates on the latest news.
- Internship fostered teamwork, honed skills, catalyzing my growth as a professional.
- Solo-built API-based Joke Generator highlighting Technical skill and creative innovation.

**Bharat-intern Internship** | Web Developer Intern

**Aug 2023 - Sep 2023**

- Designed WebSocket apps, boosting real-time connectivity and interactivity in the digital realm with impact.
- Developed versatile MCQ platform with mixed question types, including both mcq and open-ended both.
- MCQ platform with timed assessments for efficient test-taking and performance tracking.
- Netflix internship highlighted teamwork, effectiveness, and collaboration skills in a professional setting.
- Gained state management expertise via Redux and Zustand during this internship.

## PROJECTS

**MCQ Platform** | *Nextjs, Typescript, Nodejs, Prisma, Docker Open AI, PostgreSQL, Supabase, Gdc*

- Developed versatile testing platform with MCQs and open-ended questions for diverse learning and assessment.
- Proficient in OpenAI's dynamic question generation, enriching content creation for assessments and education.
- Adaptable in providing expert text content across diverse subjects and topics.
- Implemented Google sign-in functionality for enhanced user authentication.
- Personalized interface with adaptable dark, light, and system modes for user comfort.

**Rfine** | *Nextjs 13, Typescript, dnd-kit, Server-action, Prisma, Tailwind/shadcn, Vercel PostgreSQL*

- Design responsive forms with an elegant drag-and-drop interface, ensuring seamless user interaction.
- layout includes Title, SubTitle, Separator, Paragraph form features Text, Number, Select, Date, Textarea.
- This application ensures Easily add, customize fields preview forms share via accessible form URL.
- Validate form submissions, track stats with visit and submission metrics insight.

**Habit Maker** | *Reactjs, Tailwind, firebase, MaterialUI, Prisma, vercel*

- Crafted a user-friendly shopping app, simplifying product discovery for seamless, enjoyable experiences.
- Incorporated dark/light mode and Google sign-in functionality into this project.
- Application includes a convenient "Add to Cart" feature for seamless shopping. Stay updated with the latest products, ensuring a fresh and enjoyable shopping experience.

**InteractFlow** | *Nextjs, Typescript, Tailwind css, Zustand, Nodejs/Express, MongoDB*

- Shared transforms your site, offering a dynamic comment system that encourages seamless discussions, comments, and reviews.
- Engineered responsive layout for consistent, appealing user experience across diverse devices seamlessly.
- Implemented a flexible comment module adaptable to various content types, ensuring tailored feedback experiences.

## TECHNICAL SKILLS

- **Programming Language** : C, C++, Java, Javascript / Typescript, SQL
- **Front-end Technology**: Html, Css, React/Next.js, Bootstrap/Tailwind,
- **Back-end Technology**: GraphQL, Supabase, PostgreSQL
- **Developer Tools**: Redux / Zustand, VS code, Netbeans, git, npm, Docker,

## EXTRACURRICULAR ACTIVITIES

- Contributed to a successful project aiding friend's internship selection with valuable work.
- College coding club volunteer, aided peers, promoted collaborative problem-solving, and enriched learning.
- Earned certificates through active involvement in diverse online and offline coding competitions, showcasing proficiency and dedication.

## HOBBIES

- Cricket, a cherished pastime, fills my spare moments with joy and camaraderie.
- Music, a balm for downtime, accompanies and soothes, creating a serene escape.
